Willkommen bei der MY2022 RADIO BIKES - ZUMA-Linie

Als RADIO BIKES in den letzten Jahren über den BMX-Bereich hinaus in die Welt des BMXRennsports, der Urban Bikes und neuerdings auch der MTBs expandierte, hat sich unser Grundprinzip, die bestmöglichen Räder zum besten Preis anzubieten, nicht geändert, sondern ist nur noch fokussierter geworden.
Als eine Marke, die sich dafür einsetzt, dass jüngere Fahrer den besten Start in ihre Liebe zum Fahrrad haben, haben wir uns weiter umgesehen und den Markt für Kinder-MTB-Räder entdeckt. Das richtige Fahrrad für Ihr Kind zu haben ist wichtig. Es sollte ein Fahrrad sein, das bequem genug ist, damit es die Grundlagen des Sports erlernen kann, aber auch gut genug ausgestattet ist, damit es wachsen und sich weiterentwickeln kann und nichts es aufhalten kann. Mit dem richtigen Fahrrad beginnt eine Liebesbeziehung, die ein Leben lang hält.
Der Kauf eines Fahrrads für Ihr Kind kann entmutigend sein, deshalb haben wir die ZUMAReihe entwickelt, um die Entscheidung zu erleichtern. Die ZUMA-Bikes basieren auf dem Konzept eines MTB-Bikes in Kindergröße. Sie sind unglaublich leicht, haben eine sorgfältig durchdachte Geometrie und wurden speziell für kleinere Fahrer entwickelt, um die perfekte Balance zwischen einem Fahrrad für Kinder, auf dem sie die Grundlagen erlernen, und einem fortgeschrittenen MTB für Fahrten im Gelände am Wochenende mit den Eltern zu finden.
Mit einer kompletten Größenpalette von 14" für den Einsteiger bis hin zu einem 26"-Rad für den aufstrebenden Rookie gibt es ein ZUMA für jeden Fahrer. Diese sorgfältig spezifizierten Fahrräder verfügen über einen superleichten Aluminiumrahmen und eine Gabel mit doppelwandigen Felgen und kinderspezifischen Aftermarket-Komponenten von PROMAX, KMC, FSA, VEE TIRES und SATORI, so dass sie sich perfekt an die Größe des Fahrers anpassen, aber genauso aussehen, sich anfühlen und fahren wie ein High-End-MTB in Erwachsenengröße.
Die ZUMA-Bikes sind mit lebendigen und wilden neuen Farben und aufregenden, auffälligen Aufklebern versehen, von denen wir sicher sind, dass sie Kinder jeden Alters begeistern und dazu inspirieren werden, jeden Tag aufs Rad zu steigen. Kinder sind die Zukunft, und die ZUMA-Linie ist darauf ausgelegt, ihnen den bestmöglichen Start in diese Zukunft zu ermöglichen...
